FADE IN:

INT. APARTMENT - NIGHT

The time, mid 1970s. The mood, unapologetically black. Three black men, two black women, all late 20s with afros fully extended, sit at a table playing Spades, smoking cigarettes.

Soul music plays softly in the background. Afrocentric paintings adorn the walls. Peaceful decor aside from a 12-gauge shotgun in the corner of the room.

A black GIRL, 8, enters the room. One of the men, SAM, glances at her.

SAM  
Bed time.

GIRL  
Can you teach me?

SAM  
Not tonight.

CRAIG, another man, grins.

CRAIG  
Let her play.

Sam ignores him. But he can't ignore the girl's sad puppy face. Sam sighs and nods. The girl runs over and sits on his lap.

SAM  
Just watch.

The girl observes the card game. FORMAN, black, late 20s, fro, enters the room. He picks up the shotgun. The others glance at him.

CRAIG  
Thought I was on?

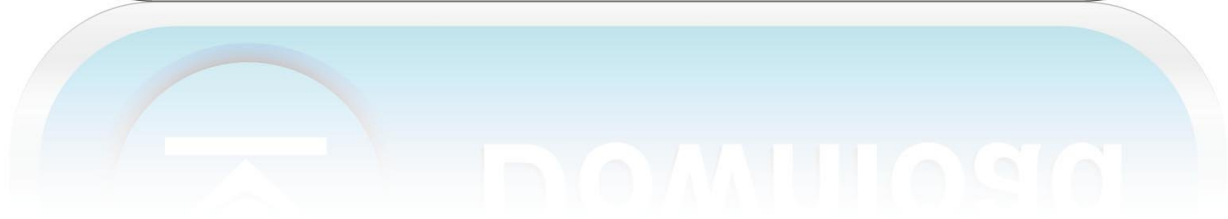

FORMAN  
Nah, I got it.

Forman leaves the apartment. The girl watches in silence as the game of Spades continues. The laid back vibe is interrupted by...

GUNFIRE. Bullets BURST through the apartment walls. Craig is STRUCK several times in the chest and goes down in a bloody heap.
